### **Tasting notes**

It has a purple red color with a violet hue and long lasting legs.

In the nose, notes of ripe black fruits and spices are perceived.

It has an elegant wooden finish.

It is easy to drink and lingers on the palate.

It is balanced in acidity and tannin sweetness.

### **Paring**

It is a perfect accompaniment to red meats, specially barbecue, pastas and cheese.

### **Consumption suggestions**

It has a high aging potential.

In order to fully appreciate the characteristics of this wine, we recommend to decant it for 20 minutes before drinking, and to serve it between 61 and 64°F.
