Drip system

Vineyard age

20 years

Production per hectare

6 Tons

Analytic Data

Alcohol: 14 / Volatile Ac.: 0.56 / Total Ac.: 5.68 / Ph: 3.58

Evaluating the Wine

Intense and lengthy in the mouth, this very well structured Cabernet Sauvignon unfolds its multifaceted layers of flavors, highlighting its passage of 10 months in first use Oak barrels.

Color: Exceptional ruby shimmer cherry red, with significantly colored and persistent tears.

Aroma: Great definition, straightforwardness, endurance and complexity with touches of pepper, vanilla and alternate winks of sweetness and acidity.

Flavor: Black pepper, dry fruits, plum, and touches of vanilla accompanied by comfortably mixed tannins. This fully flavored wine shows great persistence, body and a lovely balance.
