Irrigation

Drip system

Vineyard age

20 years

Production per hectare

7 Tons

Analytic Data

Alcohol: 14 / Volatile Ac.: 0.49 / Total Ac.: 5.08 / Ph: 3.64

Evaluating the Wine

This double Gold Medal awarded wine is for aging. It yields pleasures that, with time, will augment in complexity. It shows great intensity, a powerful structure and aromas well blended by its 10 months in first use Oak barrels.

Color: Dark red ruby color, with elegant purplish reflects.

Aroma: Mature red fruits, plum and plum jam; long; expressive and spicy.

Flavor: Soft tannins with a definite presence of red fruits, black currants, plums and morello cherries. The nurturing time in wood is brought out in a delicate combination of a velvety, expressive and soft texture.
